XYLEM

Memories of lazy days on the beach and storytelling around the campfire are evoked with these burnt wood and acrylic blocks. The timber is carefully charred by hand to highlight the authentic grains and one of a kind grooves, and then suspended within liquid acrylic for an immensely tactile experience. Optionally available with a built-in LED panel, creating a dramatic visual effect when lit.

AVAILABLE IN :

WOOD : Burntwood | Driftwood

Special Note: Each piece of driftwood is unique, therefore the shape and size of the wood may vary slightly from piece to piece.
