WHITE STAR

A larger version of the London trunk, White Star is similarly inspired by the charm and romance of a past era of long, luxurious, sea voyages. Embodying the traditional detailing and craftsmanship that defines every trunk collection, White Star features the finest sprung locks, hand-finished solid wood trims, and hand-applied studs. The piece is infused with a contemporary edge through its fabrication and finishing – from hand-painted leather and cowhide to brushed steel, the White Star trunk is a unique statement piece.
