RALLY

Styled on rally car bucket seats, the Rally chair references 50's design but races into the modern day with innovative hand-woven leather detailing and a polished dark bronze base. Sitting casually low to the ground, the Rally simplifies traditional armchair architecture with a more streamlined construction.

Two generous cushions form the seat and back, enveloping you in a feather-soft landing, supported by a light, fibreglass frame covered in rich woven leather. Simple, super-comfortable, with graphic textural contrasts.
